Ders Tanımı / Course Description		<p>ENG 100 for English Departments aims to develop students' awareness of the language used in everyday life situations as well as the vocabulary items used in different topics and also aims to develop students' awareness of the language used in everyday life situations as well as the vocabulary items used in different topics. The course has been designed to show the students communicatively useful expressions in their immediate environment. Understanding how the language is used to maintain communication or convey meaning in specific situations is prior to how the structures are put together to form the language. The aim is to expose students to some basic functions in some specific situations and topics at A2/B1 level of the CEFR so that the students can easily communicate with the foreign people in their immediate environment and develop their ability to comprehend oral English.</p>					
Dersin Amaçları / Course Objectives		<p>ENG100 aims to create awareness on how to talk about people, objects, activities and situations in their immediate environment by choosing communicatively useful expressions. The course also aims to improve the ability to understand and follow basic conversations.</p>
