- ▶ develop a dialogue and keep up with it in the situations such as checking in, hotel activities, hotel problems, clothes, art, describing physical and personality.

Ders Tanımı / Course Description

İNG 201 course has been designed for Turkish departments to improve students' skills in understanding the content and getting involved in the English dialogues in which they can frequently come across in daily life.

The priority in the course is to make sure that the students can understand and follow the communication. Learning the language structures has been only considered as a tool. In this direction, the content of the course has been supported by the visual and written materials and designed differently for each topic and situation. The content of İNG 201 course aims the level A2 within the frame of the European Common Languages. The relevant criteria and target skills can be found in the following link and "objectives" section. <http://adp.meb.gov.tr/nedir.php> (EK.1)

Dersin Amaçları / Course Objectives

The course aims to

- ▶ bring in the ability of following the content of different situations (traffic rules, descriptions of people, use of money, checking in the hotel, hotel activities..) that the students may come across in the daily life.
- ▶ show how to use and apply the language expressions and structures for the speaking skills in different situations that they might come across in daily life such as traffic rules, descriptions of people, use of money, checking in the hotel, hotel activities..
