Learning Outcomes	After the completion of this course, the student will be able to
	-Put grammar into context
	-See grammar used more realistically
	-Maximize their vocabulary
	-Develop their linguistic competence
	-Express themselves through a variety of structures
	-Speak and write accurately

Course Description	GRE 102 aims to foster understanding the relationship between language structures and lexical items as well as raising awareness about the attribution of meaning by means of these structures.
Course Objectives	To understand Greek grammar and to develop the ability to further your knowledge of Greek grammar by self-study after the course is over. In order to meet the third objective, the course provides students with supplementary readings on different approaches to grammar teaching.
