Course Description	At this level the students work in class on communicating simple and routine tasks in order to interact with relative facility in their specific field of activities. Students are able to discuss ideas with frequently used language and can ask for information about familiar subjects concerning everyday subjects and the news. In addition, they will often be asked to produce short presentations in class. They also work on comprehension skills and writing notes and simple messages. They work on improving their grasp of everyday syntax and grammar and build a lexical base corresponding to immediate needs. They also work on targeted pronunciation to improve clarity of expression.					
Course Objectives	Exchange information on everyday matters , describe and compare places (town, neighbourhood, accommodation, etc.), people and things, ask and give advice and directions, etc...

Course Content	This course is a continuation of BEGINNER A1. Students enrolling in this course should have a basic knowledge of the alphabet, numbers, conjugation of verbs in the present tense, and the learning outcomes covered in BEGINNER A1). Upon completion of BEGINNER A2, students should be able to speak about work, order foods, family, their interests, the weather, and to participate in brief conversations. At this point they travel to French city with no difficulties. At this level they can find French speaker friends to improve their speaking.					
Methods and Techniques Used in the Course	Recently developed methods corresponding to level A1-A2 of the Common European Framework of Reference for Languages (speaking, writing and listening exercises, online lessons, videos, online exercises, slide shows, online applications).
